

AS A PART OF OUR ISHA SCHOOL AFFAIRS TEAM, WE WOULD LIKE TO SHARE ONE RESOURCE USED BY ONE OF OUR TEAM MEMBERS PER MONTH.

HERE IS THE RESOURCE CHOSEN FOR AUGUST:

TEACH ME LANGUAGE

**BY SABRINA FEEMAN
PH.D. AND LORELEI
DAKE B.A.**

This program provides a step-by-step format for teaching language weaknesses present in kids with autism and related disorders. Areas addressed include social language, general language (vocabulary concepts), grammar/syntax, advanced language (narratives), and academic language. It provides explanations, examples, templates and activities that are to be presented in a progressive manner.
